

# BUYER

Rihoy & Son is one of Guernsey's longest-established building contractors. We employ more than 200 staff and are involved with all types of projects, from small contracts to many of the island's most prestigious developments.

We are looking to recruit a Buyer to join our purchasing department. The role involves procurement of all standard and large volume building materials from local and off-Island suppliers, assisting with transport, plant, and stores management, and working with our in-house quantity surveyors and site management teams.

The successful candidate will have strong negotiation, communication, and organisational skills, with previous experience in buying and building materials preferred but not essential. Salary will be commensurate with skills and experience.

For more information, or to send your CV and covering letter, please contact Steve Moores on 01481 245904 or [steve@jwriho.com](mailto:steve@jwriho.com)

Closing date for applications Friday 10 September 2021.
